The district must notify parents of students attending these schools, offer the option to transfer to a school in the district that is not identified for improvement, and offer students from low-income families the opportunity to obtain supplemental educational services from a state-approved provider. The district must also take at least one of the following corrective actions with respect to each of the schools:

- Replace staff relevant to the failure to make AYP
- Institute a new curriculum and provide appropriate professional development
- Significantly decrease management authority at the school
- Appoint an outside expert to advise the school
- Extend the school year or school day
- Restructure the internal organization of the school

* The district has requested that the Michigan Department of Education review the data for this school.
